Subject: Preliminary Announcement HUMS2017 and AIAC17

, the

Tenth Australian Defence Science and Technology Group* (DSTG*) International Conference on Health and Usage Monitoring Systems

will be held in conjunction with the 2017 Australian International Airshow (see www.airshow.net.au) and the 17th Australian International Aerospace Congress (see AIAC17.com) starting 26th February and completing 2nd March 2017. The formal papers will be presented at the Melbourne Cricket Ground (MCG) Conference Centre and the Technology Sessions on the 1st and 2nd March will be at the Airshow (Avalon Airport). More details will be added to our website (www.HUMSconference.com.au) and the AIAC17 website (www.AIAC17.com) as they are decided.

Details and Call for Papers will be available in subsequent newsletters. As usual in recent times, we will be using a broad definition of HUMS covering all Health and Usage Management regimes and not restricted to aircraft. Copies of most formal papers presented in the nine previous HUMS Conferences in this series are available from our website.

This newsletter has been sent to all whose email addresses are in our Hums database. If you know someone who may be interested, please forward this email to them. If you are no longer interested in attending and/or presenting you may modify/remove your subscription as detailed below.

For 2017, the HUMS2017 Chair will be Dr Wenyi Wang from DSTG*.

*** Defence Science and Technology Group (DSTG) was formerly known as Defence Science and Technology Organisation (DSTO)**
